Befestigungsposition Rastkupplung	Befestigungsposition Verstelladapter

Befestigungspositionen für Vollauszug

Technical drawing showing the mounting positions for a 40 kg full-extension cabinet pull-out system. The diagram includes a side view and a front view. The side view shows the mounting plate with dimensions: 18, 9, 23, 9, 10, 12, 28, 37, and a vertical dimension of 10. The front view shows the mounting plate with dimensions: 28, 37, 250 - 320, 350 - 450, 480 - 520, 550, 600, 384, 352, 288, 256, 224, 192, 160, 128, 32, 0, 4, and a total length of 40 kg. The formula MET = NL + 3 is provided.

Euroschraube Ø 6,3 x 14 mm
Spanplatten-Schraube Ø 4 x 16 mm
Schraubenkopf Ø 7 mm

Technical drawing showing the mounting positions for a 70 kg full-extension cabinet pull-out system. The diagram includes a side view and a front view. The side view shows the mounting plate with dimensions: 10, 28, 37, 450, 500 - 580, 600 - 650, 700* - 750*, and a total length of 70 kg. The front view shows the mounting plate with dimensions: 384, 352, 288, 256, 224, 192, 160, 128, 32, 0, 4, and a total length of 70 kg. The formula MET = NL + 3 is provided.
